10 STATE FARM MUTUAL AUTOMOBILE
INSURANCE COMPANY,

11 Defendant.

Case No. 2:24-cv-01764-APG-NJK

Order

[Docket No. 11]

12 Pending before the Court is the parties' proposed joint discovery plan. Docket No. 11.

13 The discovery plan seeks special scheduling without sufficient explanation. Local Rule
14 26-1(a). The discovery plan seeks a longer discovery period because "this matter involves
15 allegations of bad faith and thus necessitates corporate discovery to include in-depth written
16 discovery responses and corporate designee depositions." Docket No. 11 at 1. Further, the parties
17 submit that "production of internal confidential and proprietary claims documents can include
18 documents in the thousands of pages. This portion of discovery alone is anticipated to take several
19 months." *Id.* at 2. The parties fail to demonstrate how these facts cause this case to be different
20 than many others that come before this Court, and, therefore, require more time than the default
21 discovery period.

22 Therefore, the Court **DENIES** the parties' joint proposed discovery plan, Docket No. 11,
23 and enters the following scheduling order:

- 24
- Initial disclosures: November 22, 2024
 - 25 • Amend pleadings/add parties: December 26, 2024
 - 26 • Initial experts: January 24, 2025
 - 27 • Rebuttal experts: February 24, 2025
 - 28 • Discovery cutoff: March 25, 2025

- Dispositive motions: April 24, 2025
- Joint proposed pretrial order: May 26, 2025, or 30 days after resolution of dispositive motions

IT IS SO ORDERED.

Dated: November 13, 2024
